# PHLEBOTOMY TECHNICIAN COURSE AVOCATIONAL

If you have a calm demeanor and a steady hand, the Phlebotomy Technician course at High Desert Medical College (HDMC) is a great way to make your healthcare career even better. Best of all, it only takes five weeks to complete. HDMC ensures our students successfully enhances your skills set with a program involving lab, lecture and a work-based environment.

**Total Weeks in Program: 5 Weeks**

**Classroom: 80 hours | Clinical Externship: 40 | Total Clock Hours: 120**

## Career Highlights & Opportunity

The phlebotomy course is taught through didactic, student laboratory, and clinical experiences. The student will be trained to perform a variety of blood collection methods using proper techniques and precautions including vacuum collection devices, syringes, capillary skin puncture, butterfly needles and blood culture specimen collection on adults, children and infants. Emphasis will be placed on infection prevention, proper patient identification, proper labeling of specimens, and quality assurance. Students will be taught specimen handling, processing and accessioning. Documented proof of employment in the medical field is required before beginning the program.

## Accreditation & Approval

Accreditation and approval guarantees students, faculty and the public that the programs at HDMC meet objective and rigorous third-party standards of educational practices. Our institution is also Accredited by ACCET (Accrediting Council for Continuing Education and Training) and Licensed by BPPE (Bureau for Private Postsecondary Education).

## Phlebotomy Technician Course Includes:

- Basic Phlebotomy
- Advanced Phlebotomy
- Clinical Externship
