# PHLEBOTOMY TECHNICIAN COURSE AVOCATIONAL

If you have a calm demeanor and a steady hand, the Phlebotomy Technician course at High Desert Medical College (HDMC) is a great way to enhance your healthcare. Best of all, it only takes five weeks to complete. HDMC ensures our students successfully enhances their skills with a program involving lab, lecture and a work-based environment.

---

Total Program: 5 Weeks (4 weeks + 1 week extern) | Cost is \$1,770

---

Classroom: 80 hours | Clinical Externship: 40 | Total Clock Hours:120

---

#### Prerequisites for Program:

- High School Diploma / GED
- Provide evidence of six months' work experience in a healthcare setting

#### Program Overview

The Phlebotomy Technician program at HDMC is designed for employees who currently or have worked in the medical field and are seeking additional skills / certifications to add to their portfolio. The profession of phlebotomy is taught through didactic, student laboratory, and clinical experiences. The student will be trained to perform a variety of blood collection methods using proper techniques and precautions including vacuum collection devices, syringes, capillary skin puncture, butterfly needles and blood culture specimen collection on adults, children and infants. Emphasis will be placed on infection prevention, proper patient identification, proper labeling of specimens, and quality assurance. Students will be taught specimen handling, processing and accessioning.

#### Accreditation and Approval

Accreditation and approval guarantees students, faculty and the public that the programs at HDMC meet objective and rigorous third-party standards of educational practices. Our institution is also Accredited by ACCET (Accrediting Council for Continuing Education and Training) and Licensed by BPPE (Bureau for Private Postsecondary Education).

Phlebotomy Technician Course includes:

- Basic Phlebotomy
- Advanced Phlebotomy
- Clinical Externship
