Graduation Rates

The institution's rates are in accordance with the Higher Education Act of 1965, as amended (HEA), and federal disclosure requirements under 34 CFR §668.41(d). This data is collected through the Integrated Postsecondary Education Data System (IPEDS) Graduation Rate Survey administered by the National Center for Education Statistics (NCES) and based on first-time, full-time (FTFT), degree- or certificate-seeking undergraduate students. All IPEDS compiled data can be found on College Navigator, by clicking here.

Graduation rates reflect the percentage of FTFT students who completed their program within 150% of the normal time. A "first-time" student is defined as one who has no prior postsecondary enrollment at the undergraduate level. The institution's overall graduation rate for students who began their studies in 2020-2021 and graduated within 150% of normal time is 66%.
